DIY Investors Rejoice: All About Candlestick Charting Is Released

-- All About Candlestick Charting (by McGraw-Hill Inc.) is released by author Wayne Corbitt. This new book for both beginners and experienced investors provides an introduction to the over two century old method of Japanese Candlestick trading. --

TAMPA, FL, November 11, 2011 /**24-7PressRelease**/ -- InTrust Advisors and Managing Director Wayne Corbitt would like to announce the release of his new book All About Candlestick Charting, published by McGraw-Hill Inc. This useful guide provides DIY investors with an introduction to the over two century old method of Japanese Candlestick charting. It explains the synergy created by combining candlestick charting with various technical indicators and volume analysis for greater trading success and more money in your pocket. Even beginning investors can benefit from this guide as it teaches investors how to interpret the position of the market, allowing them to make better decisions.

"My goal in writing this book was to help traders as well as DIY investors to understand the subtle messages sent by the market every day. When interpreted properly, these messages can give them an edge over traditional buy and hold investors" stated Mr. Corbitt.

He further stated that "the combination of the 250 year old discipline of Japanese Candlestick charting with modern technical analysis provides a synergy that can produce superior results." All About Candlestick Charting demonstrates how to best use candlestick charts with moving averages, oscillators, trend lines, and volume. Other charting methods are presented and discussed such as Renko, Three Line Break, and Kagi.

Wayne Corbitt is a Managing Director at InTrust Advisors, a boutique wealth management firm that offers unique trend following and price momentum based solutions that attempt to adapt to prevailing market trends. The firm utilizes ETF securities to implement its trend following ideas with solutions that fit both high net worth and institutional client needs. All of its separate account solutions offer full transparency of positions and complete liquidity.

InTrust Advisors is located in Tampa, Florida. The Company and Mr. Corbitt can be reached at 813.253.2388 or at info@intrustadvisors.com.
